

The POS that you plug, go & grow with.

Meet ExtendaGO POS: the cash register, stockroom and sales assistant that fits in the palm of your hand. Fully scalable and failsafe, so whether you're running tens, hundreds of stores, ExtendaGO doesn't break a sweat.

6 ways ExtendaGO POS gives you a strategic edge:

Scale With Confidence

You can trial new regions, host pop-up stalls and launch events fast – at no extra cost.

Boost Team Productivity

Staff love its simple UX. They can plug and go in minutes, with minimal training required.

Secure Operations

Outperform a traditional POS and never miss a sale with offline capabilities and enhanced security.

Personalize Every Interaction

Customers become part of your tribe with built-in loyalty features and unforgettable brand experiences.

Save More, Earn More

Unlock powerful POS features affordably – €41 per POS per month and no expensive hardware.

Seamless Ecosystem Integration

Unified commerce is in our DNA – connect all IT systems at the touch of a button.

Trusted by 7,000+ retail, service and hospitality businesses.

ExtendaGO POS + Cloud Backoffice = a unified solution

Two components working in harmony to deliver unified commerce

- › Cloud-based POS
- › Multi-location management
- › Self-checkout / self-service option
- › Staff management
- › Flexible product catalog
- › Multiple price levels
- › Seamless Order Fulfillment
- › Assisted sales
- › Unified payment options

- › Supplier management
- › Supplier ordering
- › Inventory management
- › Accounting
- › Discounts, loyalty, promotions
- › Scanner integration
- › Ticket sales
- › Reports & analytics

"Scandinavian Photo chose ExtendaGO as a POS system thanks to its omnichannel capabilities – for both consumers and B2B sales. Its open APIs have made integrations straightforward and the simple and user-friendly interface have made life easier for staff to serve the customer and close the sales."

Eric Hörnberg, Customer Service Manager at Scandinavian Photo
